Current position

Perren Professor of Astronomy and Head of Astrophysics,
Department of Physics & Astronomy,
University College London

Date and Place of Birth

5 April 1959; Tiberias, Israel
Citizenship: Israeli and British

Education

Tel-Aviv University	Physics	B.Sc., 1980
Ben-Gurion University	Physics	M.Sc., 1985
(supervisor: Prof. J. Bekenstein)		
University of Cambridge	Astronomy	Ph.D., 1988
(supervisors: Profs. G. Efstathiou and D. Lynden-Bell)		

Appointments

1988-2003	Fellow, St. Catharine's College Cambridge
1989	Post-doctoral Fellowship, Institute for Advanced Study, Princeton
1990-2000	Member of staff (SAIR, ADR, Lecturer), Institute of Astronomy, Cambridge University
2000-2003	Reader in Cosmology, Institute of Astronomy, Cambridge University
2004-present	Perren Professor of Astronomy and Head of Astrophysics, University College London

Visiting positions

Kyoto (91), Sydney (97), Jerusalem (90, 95, 98-9 as an Associate Professor), Fermilab/Chicago (08)

Recent and current collaborations

The Dark Energy Survey: chair of DES:UK and co-chair of the international DES science committee
Euclid/DUNE: coordinator of a working group
WFOS Team: coordinator of a working group
2dFGRS Team member
6dF Team member

Research and Publications

Over 160 research articles in refereed journals. Thomson ISI highly cited author.

Mentored (as the primary supervisor) 15 PhD students.

Member of the Editorial Boards of *Monthly Notices of the Royal Astronomical Society* (2006-2008) and *Journal of Cosmology and Astroparticle Physics* (2005-)

Recent Awards and Special Lectures

PPARC Senior Research Fellowship (2003-2006)

Royal Society Wolfson Research Merit Award (2008-2013)
RAS Group Award to the 2dFGRS team (2008)

Elizabeth Spreadbury Lecture, UCL (2004)
Director of the Cumberland Lodge conference, UCL (2005)
Rosseland Lecture, Oslo (2005)

Fellowships and Memberships

Fellow of the Royal Astronomical Society
Fellow of the Institute of Physics (FInstP)
Member of the American Astronomical Society
Member of the International Astronomical Union
Member of the Astronomical Society of India

Principal Investigator of recent major grants

PI, Leverhulme 'Quantitative Cosmology', Cambridge (2001-2004): £275K
PI, PPARC Senior Research Fellowship (2003-2006): £111K
PI, PPARC/STFC 'Cosmology with Photometric Redshift Surveys', UCL (2006-2009): £186K
PI, STFC 'Cosmology rolling grant', UCL (2008-2013): £839K
PI, Royal Society Wolfson Research Merit Award (2008-2013): £100K
PI, PPARC/STFC 'Optical Corrector for the Dark Energy Survey', UCL (2006-): £1.763M
PI, e-learning Perren Fund, University of London (2006-2008): £110K
