

PHAS2521: Feedback

The Interstellar Medium

To be handed in on the 1st November, or thereafter.

1. How is the pace of the course so far? Too fast, too slow, just right?
2. How is the content of the course so far? Too shallow, too much in depth, just right?
3. How is the style of the lecturer? Too formal, too informal, just right?
4. Any suggestions for improvement of the course? More interaction, more boardwork, more equations?
5. Any suggestions for improvement of the lecturing style? Use microphone, speak more clearly, use handouts?
